The Blue Lab

The Blue Lab is a political incubator with a mission of cultivating the next generation of campaign leaders and lowering the barrier to entry for first-time, minority, and female candidates, in order to create lasting Democratic infrastructure. The Blue Lab has worked in Massachusetts for a decade, training over 400 students and working with dozens of campaigns at the federal, state and local level. Our alumni have gone on to work in campaigns at all levels in multiple states and in state houses, city halls and Capitol Hill.

New Hampshire Democratic Party

New Hampshire Democrats stand for policies that support strong, healthy communities and families, a strong economy with opportunities for growth and a fundamental system of fairness and justice. Democrats are committed to spurring job creation, building our infrastructure, and bringing fairness and opportunity to our economy and our civic life. We believe that healthy communities and strong families are essential to the well-being of our citizens and to our ability to foster business development and a vibrant economy. We are committed to upholding the right of every eligible voter to cast their ballot free from unnecessary restrictions. We pledge a government that works collaboratively across the aisle to address the issues that matter to the people of New Hampshire.

The New Hampshire Democratic Party and the Blue Lab are equal opportunity employers committed to creating an inclusive workplace. The NHDP and Blue Lab are dedicated to the achievement of equality of opportunity for all our employees and applicants for employment without regard to race, color, religion, sex, gender identity, sexual orientation, marital status, age, national origin or disability.
