New Hampshire Delegate Selection Plan For the 2024 Democratic National Convention

Section I Introduction & Description of Delegate Selection Process

A. Introduction

1. New Hampshire has a total of 33 delegates and 2 alternates. The Delegation must be balanced by gender, and delegates and alternates will be broken down as follows, assuming no non-binary individuals are elected. Non-binary delegates shall not be counted in either the male or female category but do count towards the total delegate allotment. (Call I, Appendix B, Rule 6.C.1, Reg. 4.9) The New Hampshire Democratic Party continues to advocate for changing the DNC's gender balance rules to say a delegation should be no less than 50% women so that states who have succeeded in electing more women to federal office are not punished when electing their delegations to the National Convention.

POSITION	FEMALE	MALE
District Delegates	7	8
PLEO Delegates	1	2
At-Large Delegates	3	2
Automatic Delegates	6	4
Alternates	1	1
TOTAL	18	17

2. The delegate selection process is governed by the Charter and Bylaws of the Democratic Party of the United States, the Delegate Selection Rules for the 2024 Democratic National Convention ("Rules"), the Call for the 2024 Democratic National Convention ("Call"), the Regulations of the Rules and Bylaws Committee for the 2024 Democratic National Convention ("Regs."), the rules of the State Democratic Party, state Revised Statutes Annotated (RSA), and this Delegate Selection Plan. (Call II.A)

New Hampshire 2024 Delegate Selection Plan

3. Following the State Party Committee’s adoption of this Delegate Selection Plan, the State Party shall submit the Plan for review and approval by the DNC Rules and Bylaws Committee (“RBC”). The State Party Chair shall be empowered to make any technical revisions to this document as required by the RBC to correct any omissions and/or deficiencies as found by the RBC to ensure its full compliance with Party Rules. Such corrections shall be made by the State Party Chair and the Plan resubmitted to the RBC within 30 days of receipt of notice of the RBC’s findings. (Reg. 2.5, Reg. 2.6 & Reg. 2.7)
4. Once this plan has been found to be in compliance by the RBC, any amendment to the Plan by the State Party must be submitted to and approved by the RBC before it becomes effective. (Reg. 2.9)

B. Description of Delegate Selection Process

1. New Hampshire will use a proportional representation system based on the results of the primary for apportioning delegates to the 2024 Democratic National Convention.
2. The “first determining step” of New Hampshire's delegate selection process will occur on a date to be determined by the New Hampshire Secretary of State in accordance with NH RSA 653:9, with a “Presidential Preference Primary.” The Republican Presidential Preference Primary will be held in conjunction with the Democratic Presidential Preference Primary.

C. Voter Participation

1. Participation in the State's delegate selection process is open to all voters who wish to participate as Democrats. (Rule 2.A and Rule 2.C.)
 - a. Democrats are determined as all those registered on the voter checklist as Democrats or those registered on the voter checklist as undeclared (“independents”) who request a Democratic ballot in the presidential preference primary on the date of the New Hampshire Presidential Primary.
 - b. Any person whose name is not on the voter checklist but who otherwise is a qualified voter shall be entitled to vote by requesting to be registered to vote at their polling place on Primary Election Day. Those voters who register as undeclared (“independents”) who request a Democratic ballot have their preference marked on the voter checklist. (Rule 2.A & Regs. 4.3.A & 4.3.B).

New Hampshire 2024 Delegate Selection Plan

- c. Any individual who will be 18 years of age or older on General Election Day, November 5th, 2024, shall be able to participate in the delegate selection process as long as it does not conflict with state law. New Hampshire state law prohibits participation of anyone under 18 in the nominating process. (Reg. 4.3.C)
 - d. At no stage of New Hampshire’s delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee as a condition for participating. Voluntary contributions to the Party may be made, but under no circumstances shall a contribution be mandatory for participation. (Rule 2.D & Reg. 4.4)
 - e. No person who also participates in the nominating process of any other party for the corresponding election shall participate or vote in the nominating process for the Democratic presidential candidate. (Rule 2.E)
 - f. Votes shall not be taken by secret ballot at any stage of the delegate selection process, including processes leading up to the selection of DNC Members or State Chairs or Vice Chairs who serve as DNC members by virtue of their office, except that use of such voting by secret ballot may be used in a process that is the first determining stage of the delegate selection process and in which all individual voters who wish to participate as Democrats are eligible to do so. (Rule 2.F)
 - g. No person shall vote in more than one (1) meeting, which is the pre-primary caucus. (Rule 3.E & Reg. 4.7)
2. New Hampshire is participating in a state government-run presidential preference primary that will use government-run voting systems. New Hampshire’s government-run elections only use paper ballots, utilizing two voting systems: (a) accessible precinct based optical scan systems or (b) hand counted ballots. New Hampshire process complies with Rule 2.H.1, Rule 2.H.2 and Rule 2.H.3.
- a. The New Hampshire Democratic Party opposes current state law enabling the Interstate Voter Registration Crosscheck Program (“Crosscheck”), enacted into law in 2016, and supports current legislative efforts to repeal the program (SB 695(2020)). In 2017, the State Party opposed the release of the data provided in the Crosscheck Program for numerous security reasons including the potential release of sensitive data of victims of domestic violence. (Rule 2.H.1)
 - b. New Hampshire has had same day voter registration since 1993; any qualified voter may vote on Election Day regardless of prior purging of the voter registration list. (Rule 2.H.2)

New Hampshire 2024 Delegate Selection Plan

- c. The New Hampshire Democratic Party supports legislative efforts (SB 73-FN & HB 447-FN) to direct the Secretary of State to use HAVA funds to help town clerks purchase new voting machines. Additionally, the Ballot Law Commission will make recommendations to cities and towns for the acquisition of new voting machines and supports the efforts of local election officials to purchase new voting machines in the coming years. (Rule 2.H.3)
 - e. In 2021, New Hampshire passed legislation instructing the Secretary of State to conduct post-election audits in select communities (SB 366-FN and Chapter 284 of 2022). (Rule 2.H.5)
 - f. RSA 656:1-a requires the use of precinct based optical scan voting systems and thus, paper ballots (Rules 2.H.3 & 2.H.4). New Hampshire has a high frequency of recounts due to the size of its state legislature, which serves as de-facto audits (Rule 2.H.5). The NH Secretary of State has implemented numerous security measures, such as sealing ballots to be delivered to the Secretary of State after voting. There is a noticed public testing of machines prior to election day. Additionally, RSA 658:2 compels each State Party to appoint Inspectors of the Election (ballot clerks) at every polling location to ensure fairness and to assist voters if needed. (Rule 2.H.6)
 - g. New Hampshire RSA 652:16-d Accessible Voting System requires accessible voting machines, additionally voting materials and ballots are available for those with physical and visual disabilities. (Rule 2.H.7)
 - h. The State Party testified in hearings conducted by the Secretary of State's Commission on Voter Confidence and provided factual evidence to counter Republican falsehoods on the 2020 election. The final report concluded that no election malfeasance happened in the 2020 election. (Rule 2.H.8)
 - i. The New Hampshire Democratic Party regularly hires a Voter Protection team to work with the Secretary of State and local election officials to ensure proper enforcement of election laws. Additionally, the State Party supports the efforts by the Secretary of State to conduct robust trainings with election officials across the state. (Rule 2.H.9)
 - j. The New Hampshire Democratic Party supports adequate funding for state and local election administration and has encouraged the use and distribution of HAVA funds for election education and administration. (Rule 2.H.10)
3. In accordance with the Democratic Party's requirement to assess and improve participation with respect to presidential preference and the delegate selection process, New Hampshire has taken numerous steps to establish ongoing voter protection programs which support educational, administrative, legislative, and litigation-based efforts to protect and expand the vote. Historically, New Hampshire is one of the nation's leaders in voter participation. (Rule 2.I and 2.I.1)

New Hampshire 2024 Delegate Selection Plan

- a. Legislation (SB 220) has been introduced this year to permit no-excuse absentee ballot voting and pre-processing of absentee ballots. New Hampshire has same day voter registration, and absentee voting can be used for purposes of vote by mail and early voting under several circumstances. (Rule 2.I.1.a)
 - b. New Hampshire Revised Statute Annotated (RSA) 652:16-d Accessible Voting System requires accessible voting machines, and RSA 658:9-a requires every polling location in the state to be accessible for all voters. Municipalities can determine the number of additional voting places to meet demand and increases in registration (RSA 658:10). (Rule 2.I.1.b)
 - c. The New Hampshire Democratic Party supported legislation (RSA 652:27) passed in 2022 that encouraged greater use of e-poll books by election officials which would expedite the processing of voters on election day. The New Hampshire Democratic Party supports legislation to repeal state law (SB 3) that passed in 2017 and contributes to lines and delays in same day registration. We are supportive of litigation to have this law overturned. (Rule 2.I.1.c)
 - d. In 2019, the New Hampshire Democratic Party successfully challenged a state law (HB 1264) passed in 2018, which added a modern-day poll tax significantly impacting seniors and young people (Rule 2.I.1.c). HB 1264 would have required every person who registers to vote in New Hampshire and who has a driver's license or car to obtain a New Hampshire driver's license and register their car in New Hampshire at significant expense. (Rule 2.I.1.d)
 - e. We prioritized elimination of problematic voter registration laws and are unaware of issues with ballots being cast in wrong precincts; therefore we have not prioritized the issue. (Rule 2.I.1.e)
 - f. New Hampshire RSA 652:16-d requires timely response to military and overseas voting. (Rule 2. I.1.f)
4. As part of encouraging participation in the delegate selection process by registered voters, the New Hampshire Democratic Party supports efforts to make voter registration easier. (Rule 2.I.2)
 - a. New Hampshire has same day voter registration, and legislation has been introduced (SB 70 & HB 463) in 2023 to make it easier for people to register to vote electronically. (Rule 2.I.2.a)

New Hampshire 2024 Delegate Selection Plan

- b. New Hampshire High School Democrats and other allied organizations have committed to educating and empowering students to register to vote early. A state constitutional amendment (CACR 5) was introduced in 2019 to allow 17 year olds to vote in the Presidential Primary if they turn 18 on General Election Day; the New Hampshire Democratic Party supported this legislation. (Rule 2.1.2.b)
 - c. The right to vote is automatically restored upon leaving incarceration; only imprisoned felons are prohibited from voting in New Hampshire, and no fees are required to vote. (Rule 2.1.2.c)
 - d. New Hampshire has same-day voter registration for all elections in the state, including the Presidential primary. (Rule 2.1.2.d)
5. In 2022, the State Party fought back against several efforts at voter suppression by Republicans. (Rule 2.J and Rule 2.J.1)
- a. New Hampshire Democratic Party Voter Protection staff worked with local Democratic committees to defeat 13 warrant articles that would have removed voting machines and forced communities to conduct hand counts for all elections.
 - b. The State Party opposed legislation (SB 418) in 2022 that created for the first time in New Hampshire history an affidavit, or provisional, ballot system. This law creates an undue burden for election workers and threatens the ability to report results in a timely manner. The New Hampshire Democratic Party supports bi-partisan legislation (SB 156) and ongoing litigation to have the law overturned.
 - c. New Hampshire Democrats successfully defeated proposed legislation in 2023 that would have prohibited independents from being able to do same-day party switching.

D. Scheduling of Delegate Selection Meetings

The dates, times and places for all official Party meetings and events related to the state's delegate selection process must be scheduled to encourage the participation of all Democrats. Such meetings must begin and end at reasonable hours. The State Party is responsible for selecting the dates and times and locating and confirming the availability of publicly accessible facilities for all official meetings and events related to this process. In addition, the scheduling of meetings shall consider any religious observations that could significantly affect participation. (Rule 3.A & Reg. 4.)

Section II

Presidential Candidates

A. Ballot Access

A presidential candidate gains access to the state presidential preference primary ballot, or is eligible to participate in the State's first-tier caucuses, by the following:

1. Submitting a Declaration of Candidacy and paying the \$1,000 filing fee with New Hampshire Secretary of State David Scanlan, State House, 107 N. Main Street, Concord, New Hampshire, 03301 during the filing period set by the Secretary of State (Rules 1.A.7., 1.A.8., 15.A., 15.B., 15.D., & 15.E.). Presidential candidates who cannot afford the \$1,000 filing fee by reason of indigence may appeal to be on the ballot by submitting 10 primary petitions from each county of the state signed by registered voters of the party, according to RSA 655:48.
2. "Uncommitted" does not automatically appear on the ballot. Write-ins are allowed on the presidential preference primary ballot. (Rule 11.C, Rule 14.A, Rule 14.C, Rule 14.D, Rule 14.E, & Rule 15.H)

B. Other Requirements

1. Each presidential candidate or leader of a write-in campaign supporting a presidential candidate as recognized by the State Chair shall certify in writing to the State Democratic Chair the name(s) of their authorized representative(s) by September 18, 2023, who must be a registered Democrat. (*Rule 13.D.1*)
2. Each presidential candidate shall use their best efforts to ensure that their respective delegation within the state delegation achieves the affirmative action, outreach and inclusion goals established by this plan and is equally divided between men and women. (*Rule 6.I*)

Section III

Selection of Delegates and Alternates

A. District-Level Delegates and Alternates

1. New Hampshire is allocated 15 district-level delegates and 0 district-level alternates. (Rule 8.C, Call I.B, I.I, & Appendix B) Each District shall have the same boundaries as the congressional districts. Alternates will be selected on an At-Large basis.
2. District-level delegates shall be elected by a pre-primary caucus to slate delegates followed by a presidential preference primary.

District-level delegates shall be elected by pre-primary caucus to slate delegates on a date set and timely noticed by the State Party Chair at least 17 days before the primary as set by the Secretary of State. The State Party Chair will announce the date and location of the pre-primary caucus within seven days of the Secretary of State announcing the date of the presidential primary. Delegate Candidates shall be listed in alphabetical order on a printed ballot; the starting letter shall be drawn by the State Party Chair. Each person voting at a district-level pre-primary caucus shall sign a statement certifying that (i) the person will be qualified to vote on the date of the Presidential Primary Election and (ii) the person supports the presidential candidate whose district-level delegates are being chosen at the caucus. If a presidential candidate qualifies to receive more delegates than were elected at the pre-primary caucus, there will be a post-primary caucus to elect those delegates. That post-primary caucus will take place on the same day as the election of the PLEO, At-Large and At-Large Alternate Delegates on April 27, 2024, with the same filing periods.

3. Apportionment of District-Level Delegates
 - a. New Hampshire's district-level delegates are apportioned among the districts based on a formula giving equal weight to the average of the vote for the Democratic candidates in the 2016 and 2020 presidential elections and to Democratic Party registration or enrollment as of January 1st, 2024. The formula gives each District equal representation as well as equal weight to the average voter which is why this formula is used.
 - b. The number of men and the number of women in the state's total number of district-level delegates will not vary by more than one. (Rule 6.C.1 & Reg. 4.9)
 - c. The district-level delegates are apportioned to districts as indicated in the following table, assuming no non-binary delegates:

A delegate candidate may modify their singular presidential preference by submitting an updated pledge of support no later than the filing deadline. Forms for filing to be a pledged delegate will be available 30 days before the filing deadline on the State Party website. (Rule 13.B, Rule 15.F & Reg. 4.22)

5. Presidential Candidate Right of Review for District-Level Delegates

- a. The State Democratic Chair shall convey to the presidential candidate, or that candidate's authorized representative(s), no later than 14 days before the pre-primary caucus, a list of all persons who have filed for delegate or alternate pledged to that presidential candidate. - d. National convention delegates candidates removed from the list of bonafide supporters by a presidential candidate, or that candidate's authorized representative(s), may not be elected as a delegate or alternate at that level pledged to that presidential candidate. (Rule 13.E & Reg. 4.23)
 - e. The State Democratic Chair shall certify in writing to the Co-Chairs of the DNC Rules and Bylaws Committee whether each presidential candidate has used their best efforts to ensure that their respective district-level delegate candidates meet the affirmative action and outreach and inclusion considerations and goals detailed in the Affirmative Action section of this Plan within three (3) business days of returning the list of approved district-level delegate candidates as indicated in Section III.A.5.b of this Plan. (Rule 6.I & Reg.4.10.C)
6. Fair Reflection of Presidential Preference
- a. Presidential Primary - Proportional Representation Plan (Rule 14.A, Rule 14.B & Rule 14.D). The State presidential primary election is a "binding" primary. Accordingly, delegate positions shall be allocated so as to fairly reflect the expressed presidential preference of the primary voters in each district. The National Convention delegates and alternates selected at the district-level shall be allocated in proportion to the percentage of the primary vote won in that district by each preference, except preferences falling below a 15% threshold shall not be awarded any delegates or alternates.
 - b. If no presidential preference reaches a 15% threshold within a district, the threshold shall be half the percentage of the vote received in that district by the front-runner. (Rule 14.F)
7. Equal Division of District-Level Delegates
- a. To ensure the district-level gendered delegates are equally divided between men and women (determined by gender self-identification) the gender of the first binary delegate elected in each district will be designated. At the time of election of delegates in the district, the binary gender advantage will alternate as delegate positions are filled and the alternation shall continue across presidential preferences in order of vote-getting preference. In the case of non-binary delegates, they shall not be counted in either the male or female category, but do count towards the total delegate allotment. (Rule 6.C., Rule 6.C.1 & Reg. 4.10)
 - b. If the presidential candidate is allocated one (1) delegate in the First Congressional District, that one (1) position will go to the first male receiving

the highest number of votes. In the Second Congressional District, if a presidential candidate preference is allocated one (1) delegate in the Congressional District, that one (1) position will go to the first female receiving the highest number of votes. In the First Congressional District each voter will have up to 7 votes; they may not vote for more than 4 males and 3 females. In the Second Congressional District each voter will have up to 8 votes; they may not vote for more than 4 males or 4 females. In the case of non-binary delegates, they shall not be counted in either the male or female category, and the remainder of the delegation shall be equally divided by gender.

- c. If the presidential candidate is allocated two (2) delegates in the First Congressional District, one (1) position will go to the male receiving the highest number of votes and the other to the female receiving the highest number of votes. If a presidential candidate is allocated two (2) delegates in the Second Congressional District, one position will go to the female receiving the highest number of votes and the other to the male receiving the highest number of votes. In the case of non-binary delegates, they shall not be counted in either the male or female category, and the remainder of the delegation shall be equally divided by gender.
- d. In the case of non-binary delegates, they shall not be counted in either the male or female category, and the remainder of the delegation shall be equally divided by gender.
- f. Furthermore, presidential candidates shall use their best efforts at the district level to approve delegate, alternate, and standing committee candidates who meet applicable equal division and affirmative action considerations in order to promote and achieve the state's affirmative action, outreach, and inclusion goals and equal division for their respective delegations. 2. As such, the State Democratic Party has developed outreach and inclusion programs and is committed to fully implementing the programs so that all persons who wish to participate as Democrats understand they are welcome and encouraged to be a part of the delegate selection process and in the Party at the local, state, and national levels.
3. The State Party will make accommodations to facilitate greater participation by people with disabilities. All meetings, trainings, or caucuses held by the State Democratic Party, Affirmative Action Committee and Presidential Campaigns regarding any aspect of the delegate selection process will be held in easily accessible locations or virtually for people with disabilities and compliant with the Americans with Disabilities Act. In accordance with NH law, any blind individual may select any other individual to accompany them and cast their ballot for them in

pre-primary caucuses. Each Presidential Candidate will make their best effort to secure and provide for an ASL interpreter at both of their pre-primary caucuses.

New Hampshire 2024 Delegate Selection Plan

2. Statement from the State Chair confirming that the composition of the State Affirmative Action Committee complies with Rules 5.C, 6.A, and 7

Dear Chairs Moore and Roosevelt,

The New Hampshire Democratic Party has long held the belief that our party is only strong when the more voices are included, especially those voices that have been silenced far too long by our society. It is why we have strived to create opportunities for diverse and underrepresented communities throughout our party, which shows in our leaders across the state:

- 50% of elected Democratic County Sheriffs are BIPOC
- The New Hampshire Democratic Party Officers include representation from the African-American, AAPI, and LGBTQ+ Communities. Of the officers, 60% are women.
- The New Hampshire Democratic Party Executive Committee is 42% BIPOC or LGBTQ+.
- The New Hampshire Democratic Party State Committee is 51% women, 20% BIPOC or LGBTQ+, 20% young Democrats, and 3% persons with disabilities.
- Of the New Hampshire Democratic Party's 192 Town Chairs, 122 of them are women.
- Three of the four members of our federal delegation are women
- New Hampshire has one of the highest numbers of LGBTQ+ elected officials in the country, including one member of our federal delegation, and has more transgender elected officials than any other state.

In 2020, we sent our most diverse delegation ever to the national convention, and once again, more than half our delegation were new members. Our national delegation has always been one of the ways we build leadership in the state, and our goal is to send an even more diverse delegation to the National Convention in 2024.

Our Affirmative Action Committee brings together leaders from all corners of the state representing the growing diversity of New Hampshire. I am confident that the work of our Affirmative Action Committee will ensure that our delegation represents the changing face of the Granite State. I can assure you that our Affirmative Action Committee complies with Rule 5.C, 6.A, and 7 of the 2024 Delegate Selection Rules.

Sincerely,

Ray Buckley
Chair
